VILLAGE WELCOMES "VAMPIRE"

The residents of a North Yorkshire town are stocking up with garlic and crucifixes after a real-life Dracula announced plans to move to the small seaside village where his literary ancestor arrived in a wooden coffin in Bram Stoker's classic novel. Vlad Dracula Prince Kretzulesco, the last living member of the clan, is considering settling in Whitby.

5 He currently lives in Castle Dracula, in eastern Germany. But Prince Kretzulesco indicated he would be delighted to return to the town where the terrifying legend began. He said: "To visit the place where Mr Stoker wrote the book would be wonderful. I know a little of Whitby and my family's connection with the town, and if I were welcome, maybe I could go there and look for a place to live."

10 Prince Kretzulesco, an antique dealer, is anxious to leave Germany after numerous attacks and death threats from neo-Nazis. He said: "The British are good to foreigners and have liberal attitudes –no matter if you are black, green or lilac. If anyone offered me their castle, I would jump at the opportunity."

Craig Collier-Huckins from Whitby's Dracula Society said: "It would be wonderful to have him here and we would welcome him with open arms."
